Directions to the Kenilworth Chess Club

Take Exit 138 off the Garden State Parkway. Whether coming from North or South you will end up at the same light, where you should turn left (follow signs toward Kenilworth) onto Kenilworth Boulevard. The Community Center and Recreation Building is located less than a mile (3/4 mile to be precise) down the road on your left, next door to the Kenilworth Municipal Building.

Ample parking can be found along the Boulevard.
